

NCCC DISTINGUISHED ALUMNI AWARD

History

The NCCC Distinguished Alumni Award has been presented to 76 graduates since 1988. This award is bestowed to deserving alumni who exemplify educational achievements, career success, community involvement, and support to NCCC. Inductees include leaders from a variety of fields including, but not limited to, business, healthcare, education, performing arts, law, and public service.

Prestige

The Distinguished Alumni Award is the most esteemed honor that a NCCC graduate can receive from the NCCC Foundation and Alumni Association. Each year, this award is presented to a deserving candidate in front of hundreds of guests at the Annual NCCC Foundation Scholarship Gala. The recipient is inducted into the NCCC Distinguished Alumni Wall inside the Learning Commons where their framed picture, bio, and induction date will be displayed.

Continuous Support and Connection

Each recipient of the NCCC Distinguished Alumni Award contributes to the advancement of NCCC and its students. Distinguished Alumni choose to donate to scholarships and special projects through the NCCC Foundation. They also donate their time by serving as mentors to students or volunteers. Distinguished Alumni are invited to attend Foundation and Alumni events such as, the Annual Scholarship Gala and/or reunions, social gatherings, and networking events. In addition, Distinguished Alumni are recognized for their contributions and accomplishments in the Alumni magazine, *Connections*.
