Modular (“Mod”) classes are those courses which are less than a full semester in length. These types of courses may be added at any time prior to the start of the class. If you choose to drop a mod class, the deadlines differ from those of the regular full term.

S/U Grades

A grade of S will indicate satisfactory completion of the course and will receive credit. However, no credit is given for a remedial course. A grade of U will indicate unsatisfactory completion of the course and will receive no credit. Neither an S grade, nor U grade will affect your grade point average. If you are enrolled in an associate degree program, a maximum of 14 credit hours may be taken S/U. If you are in a certificate program, the maximum is 7 credit hours. It is recommended that these credit hours be taken outside of your major area of study.

Students must file an S/U form with the Registration & Records Office through the 13th week of a Fall or Spring (16 week) semester, or before 85% point of modular classes, Summer classes, or classes offered during Winter Intersession. Once the form has been filed, the decision is irreversible.

Some courses are graded only on the S/U grading system. In this case, the instructor will notify you that this is the only grading system for the course and you do not have to file an S/U form. For more information and forms, go to our website:

<http://www.niagaracc.suny.edu/registration-records/>

W Grade

The grade of “W” will not affect the student’s grade point average, but may negatively impact the student’s academic standing and/or ability to receive financial aid.

To withdraw from a course, a student is required to obtain an Add/Drop form from the Registration & Records Office (A201), which will identify the course being dropped. The student must complete and sign this form and return it to the Registration & Records Office for processing through the 13th week of a Fall or Spring (16 week) semester, or before the 85% complete of modular classes, Summer classes, or classes offered during the Winter Intersession. See chart above for actual dates. For more information and forms, go to our website: <http://www.niagaracc.suny.edu/registration-records/>

X Grade

If a student decides to withdraw from all of the courses for which he or she is registered, the student must file an application for withdrawal from the college available online in Banner Web. Before the withdrawal form is filed, it is advisable for the student to speak with a counselor in the Student Development Office to explore his or her options and receive important information.

Students who withdraw from the college receive an X grade for all of their current courses. If any modular courses have been completed, the student will receive the grade earned and the course withdrawal policy/W grades will be applied to all other coursework.

Students who withdraw from Spring or Fall will be withdrawn from all future registered coursework. Students who withdraw from an optional term such as Winter or Summer can elect to be withdrawn from future pre-registered coursework.

A grade of X does not affect a student’s grade-point average, but may negatively impact the student’s academic standing and/or ability to receive financial aid.

The student must file a request for Withdrawal from the College with the Registration and Records Office before the end of the 13th week of a Fall or Spring (16 week) semester, or before 85% completion of modular classes, Summer classes, or classes offered during the Winter intersession. See chart above for actual dates. For more information and forms, go to our website:
