VETERAN INFORMATION/RESPONSIBILITIES:

- Monthly checks are issued at the beginning of each month for the prior month; Ch33 books & supplies stipends are sent directly to the individual.
- Enroll for courses required for your degree; additional courses may not qualify for benefits.
- Courses that run less than the full term may affect your benefits. Consult with the NCCC Veterans Services counselor upon registering for mod or late start courses.
- Repeating a passed course may not count toward training time.
- Submit all transcripts from military or other colleges to our Admissions Office promptly upon admission to NCCC.
- Submit a copy of your course schedule to B103 immediately after registering *each* term.
- Notify Veteran Services (B103) of any changes to your schedule within five days: ADD/DROP, Change of Curriculum, or Withdrawal.
- Chapters 1606 & 30 require verification of enrollment beginning the last day of each month. After you receive your award letter, you may access verification at <https://www.gibill.va.gov/wave/> (WAVE system) or by calling 1-877-823-2378.
- Chapter 33 requires enrollment greater than half time (generally 7 credits) to receive the housing allowance. Taking **all web** courses will reduce housing allowance significantly.
