| Summer Session I 2019  | → Monday, July 8, 2019 →                             | Fall 2019  |
| Summer Session II 2019   | → Tuesday, August 20, 2019 →                         | Fall 2019  |

All curriculum change applications for the programs listed above must be submitted on-line on Banner Web and are time-sensitive. Applications will be considered in the order that they are received.

It is strongly recommended that you attend one of the workshops listed on the back of this form or schedule an appointment to meet with a counselor in Student Development (A131), 716-614-6290, early in the semester to review the program prerequisites and requirements.

\*Medical Assistant and Phlebotomist applications will be accepted in the spring semester. All other programs start in the fall semester.

Surgical Technology program has new admission procedures. Please contact Gemma Fournier at 716-614-6417 or by email, [fournier@niagaracc.suny.edu](mailto:fournier@niagaracc.suny.edu) for more information.

Please note: *New and readmit students who have met all prerequisites are eligible to apply for a change of curriculum on the first day of classes of their first semester.*

This information is subject to change; therefore, the most recent information regarding the curriculum change and procedure requirements to gain entry into your program of interest is available at: [www.niagaracc.suny.edu](http://www.niagaracc.suny.edu) and click on "Academics" and "Programs."
