H&M: Sales Advisor- Amherst, NY
7/17/2018

Here's what's possible for H&M SALES ADVISORS:

We don't call them "salespeople" or "sales associates" because that's not what we do. Our Sales Advisors are here to ensure that our customers enjoy a fantastic shopping experience, whether it's offering them garment options or answering simple questions such as locating the fitting rooms. Because, in the end, we believe that our clothes will sell themselves. Our customers just need someone to engage them and offer advice, from time to time, to figure out what's possible for their personal style.

Title: Sales Advisor

Function: Sales

Department: Store

Reports to: Department Manager, dotted line to Department Supervisor

Direct Reports: None

Overall Job Function: Optimizes the store's selling by providing the customers with a pleasant shopping experience, including customers with garment options and direct service.

Job Responsibility including but not limited to:

Customer Service

- Provide excellent direct and indirect customer service according to H&M standards and meet the 5 basic demands on the selling floor, in the fitting room and at the cash point
- Answer phones courteously and promptly

Job Knowledge

- Actively work with garments, including processing, stocking, replenishing, folding, hanging, displaying and merchandising per H&M guidelines, to maximize selling opportunities

- Ring on the register, report and handle all required transactions, issue receipts and pack merchandise
- Unload delivery truck, receive, open and unpack merchandise and label merchandise with security tags

Efficiency

- Execute reductions, price changes, transfers and cash register routines
- Utilize established H&M policies and procedures to assist in loss prevention and safety for the store and partner with store management as needed

Team Player

- Work effectively with team members to ensure the selling floor, cash point, fitting rooms and stockroom are clean and well maintained per H&M's store standards
- Adhere to H&M values and internal standards policies and procedures contained in the H&M Employee Handbook

Financial Accountability: None

Minimum Candidate Qualifications:

- High School graduate or equivalent preferred
- 6 months of experience in customer service, retail industry preferred
- Ability to lift in excess of 20 pounds
- Ability to stand for long periods of time, bend, stretch, engage in repetitive motions, push, pull and carry items (mannequins, clothing, totes, torsos, etc.) for a short distance
- Ability to climb a ladder and use a step stool

Competencies:

- Excellent customer service skills
- Ability to recognize and execute selling opportunities
- Ability and willingness to run a cash register
- Good communication and organizational skills
- Ability to multitask in a fast-paced environment
- Ability to take initiative to complete tasks and solve problems
- Ability to meet deadlines
- Ability to manage time and prioritize
- Must be able to work a flexible work schedule including nights and weekends

Job Status: Nonexempt, Hourly (Part-Time or Full-Time)

Clarks: Part Time Sales Associate- Niagara Falls, NY
7/10/2018

Are you looking to grow your career in a thriving retail environment?
Working at Clarks isn't just about selling shoes- it's about understanding your customers' needs, helping them find the right footwear for their lifestyles and being part of a company that believes in making a difference. Since our founding in 1825, we've grown to become one of the largest footwear companies in the world.
We believe that bringing together talented people from diverse backgrounds creates a better workplace. Our store teams consist of approximately 2,600 associates who strive to create a superior customer experience and elevate our brand to a global stage, and we empower each of them to do what's right.

Here's where you come in:

- Consistently deliver positive sales performance.
- Organize the store merchandise and back stock and ensure proper placement of product.
- Practice impeccable customer service skills.
- Upsell the customer, when appropriate, on multiple pairs and accessories.
- Exemplify the Clarks Brand.
- Follow all policies and procedures related to loss prevention and shrinkage.
- Assist in store maintenance and merchandising to create a visually compelling environment.
- Contribute to a comfortable work environment for all colleagues.
- Ensure completion of assigned tasks and responsibilities.

Essential physical requirements of all in store positions include; standing for long periods of time, frequent bending to tie and fit shoes, climbing and moving of ladders, and lifting up to 50 lbs. Retail experience is preferred

Walmart: Cake Decorators - Lockport, NY
6/25/2018

Why is Walmart America's leading grocery store? Our customers tell us one of the biggest reasons is our hard-working and happy-to-help fresh food associates. Join our produce team and you won't just keep shelves stocked, you will make important decisions about the quality of fruit and vegetables our customers eat and feed to their families. You won't just decorate cakes—you'll help customers celebrate.

No matter which fresh food area you work in, there are similarities in all departments. These include detailed cleaning of the shelves and department, checking and maintaining temperature control, verifying dates, and disposing of lesser quality food products. If you have a passion or experience with fresh food, this is the job for you.

Duties and Responsibilities

- Ensure high quality products are available in produce, deli, bakery, dairy, meat, and other departments
- Pack ready-to-sell products in proper containers and stock displays
- Prepare and serve ready-to-eat food

- Assist customers in ordering cakes, fulfilling deli orders, or finding the right produce
- Keep area clean, sanitized, and customer-ready

4 positions available. Apply online at <https://careers.walmart.com/us/jobs/2017009-fresh-food-associate>

**SUNY Broome Community College: Staff Assistant- Binghamton, NY
6/18/2018**

SUNY Broome Community College has an immediate opening for a temporary, part-time Staff Assistant in the Sponsored Programs Office. This position is grant funded for 29.5 hours per week by the Performance Improvement Fund (PIF) through December 21, 2018. Primary responsibilities include creating and updating statistical/metrics reports and strategic planning documents specific to the College's five (5) PIF programs. The Staff Assistant will coordinate with various departments (Academic, IT, Institutional Effectiveness) to collect and organize data, research evidence based practices, and measure/analyze outcomes to ensure the PIF programs are efficiently and effectively supporting the SUNY Communities of Practice models to which they are assigned. The successful candidate must have a high level of analytical skills and initiative, be able to work independently, and have strong verbal and written communication skills.

Responsibilities: Project management assistance of all five PIF programs by maintaining an inventory of assignments, progress, and completion. Report three types of required metrics (performance metrics, common metrics, and participation metrics) for each program. Support the development of informal progress updates to share with facilitators and assist with writing progress updates as required by SUNY. Monitor and support budget activities to ensure that the funds are spent according to the original proposal.

Bachelor's degree in a relevant field or the equivalent combination of education and work experience required. Specialization in business, math or a related field desirable. One year of experience working in higher education, Banner, statistical analysis and database experience preferred. Expert knowledge of Microsoft Office and Excel is required. This position does not offer benefits. Salary is \$21.23 per hour. Application materials must be received by July 6, 2018. Interested applicants may apply online at: <http://www.sunybroome.edu/employment>.

**USDA Animal and Plant Health Inspection Service: Plant Protection Aid & Technician (GS-3,4,5) - Lockport, NY
6/18/2018**

Description: Duties may include: contacting landowners, tenants, farmers, nurserymen, orchardists, commercial and retail facilities, municipal authorities and others to secure permission to conduct survey and inspection responsibilities; inspecting trees for exotic plant pests; trapping insects on private properties, nurseries or other situations; identifying and marking trees for treatment or removal; conducting post-treatment follow-up inspections; collecting survey and inspection data using a provided government-owned electronic device; and maintaining daily records of work completed. The incumbent must be willing to commute to and from the vehicle parking station, operate a government owned/leased vehicle while conducting duties, and use GPS or other approved tools to navigate. Must be willing to work independently or as part of a team in a field environment and in collaboration with cooperating agencies. The incumbent will be exposed to a variety of environmental conditions typical of southeastern Pennsylvania, with expectations to work outdoors throughout the year. Typical environmental conditions may include: cold, heat, sun, rain, snow, wind, biting/stinging insects, poison ivy, etc.

Requirements:

- Males born after 12/31/59 must be registered with the selective service
- Must have a valid drivers' license
- Must be able to travel overnight occasionally
- Must be able to work alone and/or in teams in remote locations
- Must possess or be able to learn basic insect pest and tree identification skills
- GS-3: Six months general experience OR successful completion of 1 year of study that included at least 4 semester hours in courses listed below.

- GS-4: Six months general experience and six months specialized experience OR successful completion of 2 years of study that included at least 8 semester hours in courses listed below OR a combination of experience and education.
- GS-5: 1 year of specialized experience equivalent to the GS-4 OR 4 year course of study above high school leading to a bachelor's degree with 16 courses related to the occupation OR a combination of experience and education
- *Courses: Biology, Plant Pathology, Entomology, Zoology, Botany, Forestry, Chemistry, Agriculture, or Physics.*

General Experience: (1) Any type of work that demonstrates the applicant's ability to perform the work of the position, or (2) experience that provided a familiarity with the subject matter or processes of the broad subject area of the occupation.

Specialized Experience:

GS-4: Inspecting nursery plants for the presence of a specific plant pest. Surveying areas for specific plant pests or for the presence of alternate plant hosts. Developing rough maps showing control or eradication treatment completed, areas surveyed, or pest finds located. Performing survey control or eradication procedures in a local pest control program. Answering questions regarding plant pest control procedures, harmful side-effects of pesticides to other living organisms, etc. Inspecting vehicles in the enforcement of plant quarantine regulations. Performing laboratory work involved with raising and/or sterilizing various insects.

GS-5: Working knowledge of plant pests including signs and symptoms of infestation. Contacting stakeholders (i.e., landowners, tenants, managers, etc.) to obtain permission to conduct surveys on private property. Using maps to locate commercial and residential properties for survey. Collecting data from daily survey and treatment records. Experience involving tree identification.

Rate of pay: Determined based on education and experience (\$13.16 to \$16.53/hr).
